

# MATERIAL SPREADER MS20

**morrison**  
CONCRETE EQUIPMENT

**This pull-along manual dry shake material spreader is a great tool for applying dry shake hardeners, reflective toppings and coloring compounds.**

- Hopper takes 100 kg of material
- Discharge range 1 to 6 kg
- Wheels drive hopper blades
- Each wheel is independent for easy turns
- Foldable handle for ease of transportation and storage
- Folding stand for ease of material loading
- Low dispensing height reduces dust
- Exact material measurement per SQM saves material cost and meets exact job specification

## Specifications
