

MSP445 RIDE-ON TROWEL

The MSP 445 features manual lever steering and is powered by the Kohler 40HP gasoline engine. The five bladed rotor of the MSP445 is driven by a Super Heavy-Duty Gearbox, allowing the power to be delivered where it is needed. The MSP445 is easy to control and steer. Standard features include an electric-powered spray system and built-in cup holder.

*Shown with Allen Steel Pans
