

The all-new MSP455 is the newest power steering model in the popular MSP Series. The powerful gas engine, Super Heavy-Duty Gearboxes and Spiders provide a great weight to-horsepower performer for larger contractors.

The MSP455 is powered by the Kohler 40HP gasoline engine and it has all the standard features of Allen ride-on trowels.

FEATURES:

- Adjustable seat that flips up for easy access
- Built-In Cup Holder
- Independent Manual Pitch Control
- Light Switch, Key Switch, Hour Meter and 12 Volt Charger All in One Location
- Detachable Front Access Panels
- Powered Spray System
- Torque Converter Clutch for True Variable Speed
- Four Lights in Front and Back
- Five-Bladed Spider
- Super Heavy-Duty (SHD) Gearbox
- Hydraulic Joy Stick Power Steering

Powerful Kohler Air-Cooled Engine is easily accessible through the flip-up seat and removable front panel.

Optional Lifting Bridle for easy on-and-off transport.

Optional Dolly Jack Wheels get you around the job site with ease.
(Foam Filled Tires Optional)
