

MAGIC SCREED®

The Magic Screed® is a precision engineered, lightweight wet screed for single operator strike-off of concrete. Fast and easy to use, this high-frequency screed provides uniform distribution over the entire blade length, enhancing structural integrity of the concrete through consolidation.

FEATURES:

- Smooth Operating Throttle
- Lightweight, but Powerful Honda™ Engine
- Ergonomically Designed Grips and 360-degree adjustable handles
- Tilt-Up Stand
- Anti-Vibrating System to focus vibration on the blade, not the handle
- Quick-Change Screed Blade with unique design
- Carrying Bar for every job movement

Adjustable Handles provide greater control
