I advise you that ANCON has ceased trading on 30th September 2020. I have retired after joining the concrete and construction industry in 1964. This decision is unrelated to Covid 19.

Importantly, we want to inform you about ongoing availability and support of Somero and Allen products for the future. Fortunately, an arrangement has been made with our two suppliers and business will continue as follows.

ANCON STAFF

Most have accepted new positions within the newly formed Somero and Allen companies as detailed above.

TRANSFER OF PRODUCT AND CUSTOMER SUPPORT

Both companies, Somero Australia Pty Ltd and Premier Concrete Equipment Pty Ltd will provide full support and be responsible for any warranty matters should they arise.

FINALISATION OF ANCON BUSINESS

ANCON will finalize its business in an orderly manner and collect monies due and settle its debts.

ANCON has operated successfully for nearly 24 years in the field of concrete construction consultancy and also selling and supporting products of Somero and Allen, the two world leaders in concrete floor construction equipment. ANCON's business activities have been throughout Australia, New Zealand, Pacific Islands, Thailand, Vietnam, Indonesia, Malaysia, Hong Kong, Singapore, Philippines, Myanmar, Asia, Far East Russia, Middle East and parts of the USA and additionally, United Kingdom, India, Bangladesh and France. It has been a challenging and rewarding journey.

Yours sincerely,

Ian Burnett
